YORK. THE CITY WALLS.

LL 4658

TUCK'S POST CARD

CARTE POSTALE. POSTKARTE.

The City Walls. The circuit of the walls of York covers a distance of nearly three miles. With the Roman wall for its foundation, the present fortification dates from the reign of Edward III., and has been much knocked about in times of war and siege. Part of the defences were restored in 1833, when the walls were laid out as a public walk.

(For Address Only.)
